About Indian Lake • ILCC • Denville • 1924

- Indian Lake is 76.5 acres
- Depth ranges between 2 feet and 8 feet, the deepest point in the main lake
- Given the area of Indian Lake was once an apple orchard, stumps can be found near the southwest end, by the waterfall
- Indian Lake properties (beaches, clubhouse, etc.) are open to members of the Indian Lake Community Club only
- Contact info: ILCCNJ@gmail.com • www.IndianLakeNJ.com
